2018 The 2nd International Conference on Civil and Building Materials

<http://iccbm.org/>

2018 The 2nd International Conference on Civil and Building Materials (ICCBM 2018) will be held in Fukuoka, Japan during January 20-22, 2018, which will be addressed by **Prof. Alan Crosky, School of Materials Science and Engineering, UNSW Australia**; **Prof. UMEMURA Kazuo, Department of Physics, Tokyo University of Science, Japan**; **Prof. Ando Tatsuo, The University of Tokyo, Japan**.

ICCBM 2018 aims to bring together researchers and practitioners from academia and industry to discuss latest progress and development in these fields, which will include contributions by renowned plenary and invited speakers, oral presentations, posters sessions and technical exhibition that relate to the topics dealt with in the Scientific Program.

Proceedings

The manuscripts will undergo the normal peer-review process and accepted papers will be published by **IOP Conference Series: Materials Science and Engineering (ISSN: 1757-899X)**, which is indexed by **El Compindex, Scopus, Thomson Reuters (WoS), Inspec, et al.**

Important Dates

Submission deadline: September 05, 2017

Acceptance letter: September 25, 2017

Registration deadline: October 10, 2017

Committee :

Conference Chair

Prof. Kazuo Umemura Tokyo University of Science, Japan

Local Chair

Dr. David Rohindra, The University of the South Pacific

Program Committees

Prof. Jing Yong Ye, University of Texas at San Antonio, United States

Prof. Eko Syswoyo, Universitas Islam Indonesia, Indonesia

Prof. Arnold Alguno, MSU-Iligan Institute of Technology, Philippines

Prof. Tuan Mai Anh, Hanoi University of Science and Technology, Vietnam

Dr. Hisao Taira, Hokkaido University of Education, Japan

Dr. Tran Thuat Nguyen, Hanoi University of Science, Vietnam

Prof. S. A. Mahmoud, Hail University, KSA to Minia University, Egypt

Prof. Sroisiri Thaweboon : Faculty of Dentistry, Mahidol University, Thailand

Prof. Chung-Hsin Lu, National Taiwan University, Taiwan

Dr. Yulai Han, China

Venue : Shiiki Auditorium (Ito campus of Kyushu University, Japan)

Address: 744 Motohioka Nishi-ku, Fukuoka-shi 819-0395

Call for Papers

We encourage original submissions related to, but not limited to, the following advanced energy materials based system topics:

Structures and Civil Engineering;

Structural Engineering;

Bridge Engineering;

Geotechnical Engineering;

Geological Engineering;

Tunnel, Subway and Underground Facilities;

Seismic Engineering;

Road and Railway Engineering;

Transportation Engineering;

Hydraulic Engineering;

Coastal Engineering;

Water Supply and Drainage Engineering;

Disaster Prevention and Mitigation;

Surveying Engineering;

Computational Mechanics;

Construction Technology;

Building Energy Saving Technology;

Ecological Architecture;

Traditional Construction Materials;

Advanced Construction Materials;
