

# ICCBM 2020

Okinawa, Japan, January 17-20, 2020

The 4th International Conference on Civil and Building Materials (ICCBM 2020) is to be held at Okinawa, Japan, during January 17-20, 2020, as the workshop of (ICAMR 2020).

The conference is co-organized by Science and Engineering Institute, USA, Swinburne University of Technology, Australia, Alfaisal University, Saudi Arabia, Ghent University Global Campus, South Korea, The University of Tokyo, Japan etc.

## Conference Proceedings:

The manuscripts will undergo the normal peer-review process and it is expected that the accepted papers will be published by **Key Engineering Materials. (ISSN: 1662-9795)**, as a workshop of ICAMR 2020, which is indexed by **EI Compendex, Scopus, Thomson Reuters (WoS), Inspec, et al.**

**ICCBM 2019 (Singapore) conference proceedings** has been published in **Key Engineering Materials** and indexed by **EI, Scopus Successfully**

## Call for Papers:

More topics please visit <http://iccbm.org/>

We encourage original submissions related to, but not limited to, the following advanced energy materials based system topics:

- Structures and Civil Engineering;
- Structural Engineering;
- Bridge Engineering;
- Geotechnical Engineering;
- Geological Engineering;
- Tunnel, Subway and Underground Facilities;
- Seismic Engineering;
- Road and Railway Engineering;
- Transportation Engineering;
- Hydraulic Engineering;
- Coastal Engineering;
- Water Supply and Drainage Engineering;
- Heating, Gas Supply, Ventilation and Air Conditioning Works;
- Disaster Prevention and Mitigation;
- Environment-Friendly Construction and Development;
- Green Building Materials;

## Important Dates:

Submission Deadline-September 30, 2019  
Acceptance Notification-October 15, 2019  
Registration Deadline-October 30, 2019

## Submission Methods:

EasyChair: <http://confsys.iconf.org/submission/iccbm2020> E-Mail: [iccbm@scie.i.org](mailto:iccbm@scie.i.org)

## Contact:

Conference Secretary: Ashily. Qi

E-mail: [iccbm@scie.i.org](mailto:iccbm@scie.i.org)

Tel: +1-562-606-1057 (English Only) /+861-820-7777775 (English & Chinese)
